ASEPTIC COCONUT MILK AND CREAM

www.econutrena.com

SPECIFICATIONS

■ PRODUCT DESCRIPTION:

Aseptically packed, organic coconut cream is commonly used in many culinary recipes, mainly in beverages and other liquid applications. I Love Coco aseptic coconut cream is an absolute taste enhancer as a non-dairy coffee creamer and in chocolate beverages. The exquisite taste of tropical flavor and the creamy texture of the coconut is preserved by applying commercially sterilizing techniques and hygienic standards. It is free from any colorations, preservatives or additives.
