COCONUT PRODUCTS

100% ORGANIC

Www.econutrena. com

ABOUT US

Jaindi Exports Pvt Ltd manufacture & supply processed coconut based products in the form of bulks to international wholesale buyers and some small percentage to direct consumer markets in developed countries. As sustainability oriented organization, we ensure all our products are 100% organically sourced, processed, produced and packaged protection the nutritional compositions of the original coconuts & spices. And we heavily emphasize the value of fair trade for the businesses, communities and the consumers alike in the long run. Thus, we have integrated fair trade as the main policy of the company which would yield multi-dimensional value to everybody involved.

The premium quality of our products has been tested and certified by the international food quality controlling & standardizing bodies such as BCR, ISO 22000:2005,GMP,HACCP, KOSHER and HALAL.

ORGANIC COCONUT VINEGAR

Coconut water vinegar is made by 2 distinct biological processes, both the results of the action of microorganisms that turn carbohydrates into acetic acid. This is produced by using coconut water and it is low in acidity.

INGREDIENTS;

Organic Coconut Water, Sugar

INTENDED USE:

Serves as an ideal seasoning compound which renders tempting flavor and aroma. It's an antifungal agent and a good preservative and can be used in salads, pickles, chutneys and many other dishes

SHELF LIFE:

3 years from the date of manufacture

STORAGE:

Store in clean, cool dry place. Keep away from direct sunlight. After opening, the lid must be closed properly.
